YOU WILL GET UNDER COVER, UNDER BUDGET, WHEN INVESTING IN A WESTRAL ROOM ADDITION, PATIO, CARPORT OR ENCLOSURE!

Free Measure and Quote. The same ownership for **38 years** and still offering unbeatable quality, price, range and service.

Buy now and save with very special prices on our full range of products

Invest in a Westral Patio, Add-A-Room or Carport and our consultants will design an extension to suit your needs and budget. Westral arranges everything from council approval to installation. We use Bluescope Colorbond Steel that is built to last. Fully welded, powdercoated truss systems, with all structures approved by Certified

Engineers. A huge choice of styles and colours are available to suit your home. Established in 1973 Westral has 38 years experience in designing and building quality home extensions. You can be assured of excellent advice and friendly, competent service. *And remember, Nobody but Nobody beats Westral for price, quality, service and range.*
